As a member of the WA State PTA, I urge you to fulfill the promise of amply funding basic education in Washington per the WA State Supreme court McCleary decision.

**Specifically, the students, parents and public school staff need you to act by March 2017 to extend the "levy cliff" at no cost to the State. Plus, fully fund compensation for the 2017-18 school year.**

Without your swift action, our schools will sustain deep budget cuts. The school district will spend precious resources laying off skilled teachers and staff, and cutting vital programs many of which are mandated by State laws.

Please do not allow our kids' education to be disrupted this year and next, while you continue to fully comply with your paramount duty to amply fund basic education by September 1, 2018.

Thank you for your efforts on behalf of our kids.

Sincerely,
